Wroclaw, Poland

SUMMARY

As a recent graduate with a Bachelor's degree in Computer Science, I possess a strong foundation in data analysis, and web development. My academic and project experiences have equipped me with a robust skill set in programming languages such as Python, and SQL, along with a deep understanding of statistical methods and data visualization techniques.

SKILLS

- Python
- Pandas
- Javascript
- SQL
- Figma

WORKING EXPERIENCE

CINNO

2024 - present

- I am responsible for ensuring the accuracy and integrity of product information within our databases. My role involves scanning, verifying, and updating product data to support the company's operations and enhance the user experience.
